## BLU GRANDE SMOOTH SLAB

GREAT FOR: WALKWAY, PATIO & TERRACE, GARDEN, POOL DECKS

Perfect paving slab for modern poolsides and backyard design, Blu Grande Smooth is a large concrete patio stone available in multiple colors. Its smooth texture is sleek to the eye but rougher to the touch which avoids it from getting slippery when wet. The large rectangular shape works as an easy add-on into Blu 60 regular modular patterns but can also work as a stand-alone to create a very linear look.

## BOREALIS 30 x 5 SLAB

GREAT FOR: WALKWAY, PATIO & TERRACE, GARDEN, POOL DECK, OUTDOOR STEP

The look of hardwood flooring is now available outdoors with this wood look-a-like patio slab made of concrete. These slabs are being called trompe-l'oeils by industry professionals and will have you guessing whether it's hardwood or concrete. Borealis looks and feels like wood planks and most importantly, is maintenance-free. Whether it's your poolside, front porch, backyard deck, or patio, Borealis brings the appealing esthetics of natural wood to your backyard in a weather-proof, maintenance-free way.
